

INDIAN LAKE

SMOKE SIGNAL

August/September 1988 Indian Lake Improvement Association Indpls., IN

DATES TO REMEMBER

Tuesday, October 11, 1988; 7:30 P.M., Indian Lake Board of Directors' Meeting, at the home of Mrs. Edwin T. French, 10002 Indian Lake Blvd., N. Dr.

Monday, October 17, 1988; 7:30 P.M., Indian Lake Women's Committee Meeting, at the home of Mrs. Helen Brodie, 10207 Indian Lake Blvd., N. Dr.

PRESIDENT'S MESSAGE

Dear Fellow Residents of Indian Lake,

The September meeting of the Indian Lake Board of Directors was held at the home of Mrs. French on Tuesday, September 13, 1988. Committee reports were submitted as follows:

North Beach

The North Beach will close for the season on November 1, 1988. After that date, lake residents may use the sand area at the North Beach for winter storage of boats. The beach port-o-lets will be removed during September. The port-o-let service has been excellent this year.

President's Message (continued)

South Beach

On two recent weekends the South Beach area was used by non-residents. Upon investigation, J.D. Bush learned that these uninvited guests had been given a key to the South Beach gate by a former resident who no longer lives at Indian Lake. J.D. secured the key for the Association, and succeeded in getting the trespassers to leave. Keeping the Association property private is an important and difficult job. I'd like to thank J.D., on behalf of us all.

Dr. Phil Bly has removed five dead trees at the South Beach area.

Lake Conservation

A partial payment has been made by Mr. Dennis Franklin toward the repare of damage done to the East End gate. Complete payment is being pursued.

After removing fifty-one more carp from the lake, Phil Bly has retired the gill net for this season.

Dam

Superior Fence Company has constructed a fence at the dam site. Phil Bly has secured the services of Mr. Lowell McVey, who will install a mercury light with a light sensor at the dam. Fred Lee will contact I.P.L. to have the electrical current for this light hooked up.

Property Maintenance

Red Harris has replaced the chains on the swings at the park. Red reports that the mowing of Indian Lake property is being done on schedule. Phil Bly and Fred Lee are sealing/caulking the cracks in the tennis court surface. Fred is again attempting to get the Lawrence Street Department to fill some low spots along our streets with crushed stone.

The Board invites all residents to attend the October meeting.

See you there,

Joe Hoone, Predident, ILIA

INDIAN LAKE WOMEN'S COMMITTEE REPORT

by Suzy McDaniel

GREETINGS FROM THE INDIAN LAKE WOMEN'S COMMITTEE!

Looking back over the summer of '88, we sure had a good time being a part of the annual events of our wonderful community.

The last meeting of the Committee was held on August 15th, at the home of Marge Crouch. I don't know how she did it. She had a million things going and still found time for us. Thank you, Marge!!! The agenda was short, basically reminiscing about the year's past events, and making a few plans for our October meeting, and future events.

We'll have many projects to discuss at our next meeting in October. Plans will already be in the making for our 2nd Annual Monte Carlo Night. Yes, we enjoyed it so much and feel that the many of you who attended did too, so it was well worth the effort. We'll be back at it again.

If anyone has any ideas for future events that haven't already been done, or old events that you'd like to see brought back, please feel free to call me or come to our meeting on October the 17th, at the home. Helen Brodie, 10207 Indian Lake Blvd., N. Dr. The time is 7:30 P.M.

The Picture

Until next edition of the Smoke Signal, we wish you a warm and happy fall.

Suzy McDaniel

Women's Committee President

TRASH TRESSPASSERS

Someone has been placing bags of trash into the dumpster on the parking lot belonging to Mildred French. This is a private dumpster, for the use of the French family only. Please use our regular Thursday trash pick-up for all your trash disposal.

"ACROSS THE FENCE"

Maureen Wagner

This past summer brought drought and more drought . . . heat and more heat. Yet some people managed to keep very attractive yards.

The Noltings have an absolutely perfect yard. To my mind, their bright red door and the white Victorian trim on their house is enough to cheer anyone up.

The Lamineck-Baker home (yes, the one with all the sides) has a yard that makes a perfect setting for the house.

Dan and Chris Felix have tackled a monumental task. Dan has placed six sections of terracing in his back yard. Seems like he had to purchase the entire lumber yard. Stopped by their home, but found that both of them were gone. I was greeted by a handsome, good-sized dog. Brandy was waving his friendly tail, but I thought retreating to my car was a wise decision.

Dennis & Mimi Campbell's home has a magnificent display of geraniums; just seem to keep blooming more beautiful each day.

Tony and Rose Medvesek's yard is always in such perfect order and always has such an air of tranquility.

New neighbors on the South side are Don and Donna Solomon. We send them greetings and hope they will enjoy their new home and the area.

Bob was off to Wright-Patterson Air Base for a week recently, and I went along so that we could celebrate our 34th wedding anniversary.

On August 22nd, Mike and Bev Minter celebrated their 24th wedding anniversary by spending the day on their pontoon boat with a bottle of champagne.

Bob and I traveled to Madison, Indiana on Saturday, the 3rd of September, for a very happy occasion. Karen Spillman and Jack Bruce Sweeney, Jr., were married in the Baptist church. A delight-

Over the Fence (continued)

ful reception was held at the Elks Club. The food was great, dancing fun, and Cindy Sweeney Colter made the fabulous wedding cake. Cindy recently won several firsts and the Sweepstakes Ribbon for cake decorating at the Indiana State Fair. Carol and Jack Sweeney, Sr., hosted the wedding dinner at the Clifty Falls State Park Inn, where the wedding party stayed Friday evening. Our younger son, Andrew, was one of the groomsmen.

Jane Ann Kopitzke has just returned from a three-week tour of the British Isles. The tour included Stratford-on-Avon, the home of William Shakespeare, and Edinburgh, "the bonniest city on the face of the globe." Jane Ann arrived in Edinburgh just in time to catch the Annual Festival and Military Tatoo. The Military Tatoo is an awesome display of Military Pageantry performed on the esplanade of the Edinburgh castle. The massive backdrop of the castle outlined with searchlights, and the lone piper sounding from the castle turrets is enough to give anyone goose bumps. As the lights dim slowly, you begin to loose touch with this century. It is not hard to imagine that you have arrived back in the Scotland of a hundred years ago. The Wisconsin University Alumni Association with which Jane traveled also visited Aberdeen. Aberdeen, the granite city, is the city and port from which all men and supplies go to the oil fields of the North Sea.

The South Side Street Party was attended by approximately twenty adults and at least a dozen children. Good food, good company, with a sharing of hearty laughter, made it a very special afternoon. Much of the laughter was over the hilarious story Phil and Jean Bly told about their attempts to lay some green grass carpeting on their enclosed porch. The roll of very heavy carpet wouldn't go through the door. A gallon of glue was far too much. The glue would not get tacky. The carpet kept slipping, and Phil lost his favorite old tennis shoes when they got stuck in the glue.

Over the Fence (continued)

Our congratulations to the Blys on the birth of their new grandson, Andrew Phillip Bly.

Ron and Linda Van Treese are also proud grandparents of their new grandson, Nathan Van Treese. Nathan weighed in at over nine pounds. He is so long that he looks like a miniature football player.

The Van Treese clan are all well and very busy. Their entire family is working in the family business. That's what I call togetherness.

Until next issue,
Maureen

PINK BOWS ON THE MAILBOX!

Indian Lake welcomes its newest little papoose, Elaine Marie Colter, who was born September 8th, at 8:13 A.M. Elaine weighed 6 lbs. 8 ozs., and was 19 in. long at birth. Warmest congratulations to Cindy and Dennis.

WINDOW STICKERS

The use of window stickers on our vehicles is the only way all of us can tell each other from trespassers. Please be sure to display the IL^{IA} sticker in each vehicle window. Contact Jack Sweeney, 823-4891, if you need stickers.

FOR SALE

Dining Room table and six chairs; upright piano.
Call: 823-6474

BEREAVEMENT

Indian Lake mourns the loss of our long-time resident and friend, Ed Hamilton. We extend our deep sympathy to his family.

Editor's Note

Because of greatly increasing professional obligations, I must resign as Newsletter Editor at the end of this year. The search is on. Do you know someone who might be willing to be the 1989 Smoke Signal Editor? Let us know.
