

INDIAN LAKE SMOKE SIGNAL

FEBRUARY 1991

HELLO EVERYONE,

After a terrific Holiday Season we're ready to get into the new year. Our Annual Illuminaria was a terrific end to 1990. It was nice to see our neighborhood look so beautiful.

Before getting into the upcoming events, I would like to say how proud I am of our neighborhood. The fire at the Schnittker home in early December brought out the best of our neighborhood. The flyer was out the day after the fire and the response was fabulous! Clothing and money was donated faster than Flo and I could handle. The Schnittker family is doing better now and renting a home in Fishers. Thank you for proving that our neighborhood is still strong and can help out when needed.

The Annual Meeting on January 14 was attended by 39 people. Mayor Tom Schneider spoke about the new schools and parks and city water. The Lawrence Fire Chief spoke about the fire at the Schnittkers home and discussed various options for extinguishing future fires. J. D. Bush and Red Harris were re-elected to the board. Ron Tucker and Kevin Zainey are new board members.

The Indian Lake Women's Committee is working to get ready for Monte Carlo Night. Please mark your calendars for February 23rd. Dinner begins at 5:30, fun and games 7:30 - 9:30 and the auction at 10:00. Marge Crouch, Flo Peck and I are working to gather the best auction items we can find. If you have an "object d'art" you'd like to donate please contact us.

"ACROSS THE FENCE"

Maureen Wagner

Just last November, in a special Smoke Signal, we gave the military background of many of our residents. We also included the story of the rescue of the Marines from the Chosin Reservoir, by one of those men, John Flack. Since November, John is back in the Military. John will be serving his country for the third time. As a Captain in the Army, he will be responsible for training young men in the Military Police. John has also received a photo of his oil painting of the Chosin Reservoir rescue being presented to the Captain of the New Missile Destroyer, the USS Chosin. The painting will be hung in one of the wardrooms of this new ship that was commissioned in January, and sent to the Persian Gulf.

"All Mighty Father, who doth give
the gift of life to all who live,
Hear us as we cry to thee, for those
in peril on the sea",
and on the land and in the air.

As stated in Tammy Birch's notes, 35 or 39 (depends on who counted) was the number of residents attending the Annual Meeting, a rather small number. Fortunately, enough people did turn in their proxy cards, and the meeting was able to proceed with all the necessary business. As you realize, the programs etc. are not the most important things in organizations or in communities. It's the people who are the most important resource. We have an awful lot to be thankful for, especially the men on the Board who give many hours to their meetings and to actual work around the lake. Come on now, folks, do your little bit of community service, and it will make everything much easier for all of us. Interest in the Men's Board meeting would be great, and the women's Committee would be delighted to see some new faces or long-time residents coming back to the Committee. I can tell you without any doubt, that you will be pleased at the rewards it will bring you.

Anyone wanting to put on their waders and take a trip below the dam? Keep a look-out for an olive green duck boat, with camouflaged padded seats. It belongs to the Schmol family on South Drive.

Heard from Marie Reeves that she will be bringing Bud home from Community Hospital soon as he is flirting with the nurses. He has been in Community for a long stretch - Good to hear he is feeling better.

If you would care to donate a book to the Veteran's Hospital Library, please have it at my home, 6910 Winona Drive before February 14.

Laureen

These are the things I prize
And hold of dearest worth:
Light of the sapphire skies,
Peace of the silent hills,
Shelter of the forests, comfort of the grass,
Music of the birds, murmur of the little rills,
Shadows of cloud that swiftly pass,
And after showers,
The smell of flowers
And of the good brown earth --
And best of all, along the way, friendship
and mirth.

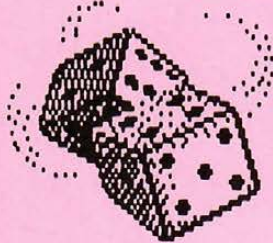

HENRY VANDYKE - These Things I Prize

Love is the master key that opens the gates of happiness.

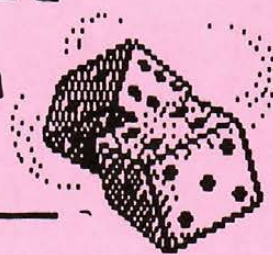

-Oliver Wendall Holmes
