

# THE INDIAN LAKE SMOKE SIGNAL

Published by The Indian Lake Women's Committee of ILIA

VOL. XI

JULY 1964

## BOARD OF DIRECTORS REPORTS

The Board of Directors held their June meeting, same time, same place, same guys, minus a few due to vacation time.

Here are the results of said meeting boiled down.

Residents on the South side of the lake should police our road for extra activity of heavy trucks equipment, etc., that are ruining our road, and report same to the Road Committee.

The Picnic will be held July 19, Yippee Yi Ch!!!!

Private picnics or gathering at our beach should be planned though the proper committee for Mondays through Fridays, since Saturday and Sunday are such crowded days.

The public beach, boat and ski docks were repaired and painted by one of our benefactors.

The pipe for the dredge arrived this month and dredging can be expanded.

The Oaklawn Fire Department under whose jurisdiction we come, has asked all Lake Property owners to identify their home with a sign or mail box out front indicating name and address. This is most necessary in case of a fire, (unless it's a dandy blaze) or emergency first aid runs. (Heart attacks, strokes, shock, electrical shock, oxygen for asthma attacks, and just any little old piddling thing that some people call an emergency). You are doing them and yourselves, a service by complying with this request since many of our homes do not have the mail boxes in front of them.

(Cont. Page 2)

## LIFE GUARDS

You will be glad to hear that a Schedule has been set up for guarding the beach area, under the direction of Mr. Henry Gardner. The ladies of the Lake Committee have consented to serve in the afternoons, Monday through Friday. Saturdays will be Teen-ager's responsibility-Susan Powers and Joan Hawley leading that group. Sundays have been delegated to the following people on the dates named:

June 28th, Bob, Maureen Wagner

July 5th, Joe, Barbara Weaver

" 12th, Hank, Jody Trittipo

" 19th, Picnic

" 26th, John, Lorretta Miller

Aug. 2nd, Charlie, Chris Spellman

" 9th, Stan, Helen Dayton

" 16th, Norm, Millie Schucht

" 23rd, Ken, Sheila Scobie

" 30th, Bob, Mary Nicholas

With so many people giving so much time and energy, we ask your complete co-operation with these people and their requests.

Introduce yourselves to them.

\*\*\*\*\*

## WORDS OF WARNING

It has been brought to the attention of your Board of Directors that a number of dogs, owned by Lake residents, are brought to the beach and allowed to roam unrestrained by a leash.

The Board requests that action be taken by all dog owners to keep their pets at home. If they must be brought to the beach, please see that they are kept on a leash at all times. Your immediate co-operation will be much appreciated.

## Pat's Almanac

DON MELVOIN SHOW....July 14th....  
Please meet at my home Monday,  
July 13th, at 10:00 A.M. for final  
arrangements. If you have reserved  
tickets and for some reason cannot  
attend, please call me in order  
that someone else may go in  
your place.

HOOTENANY WESTERN STYLE... That's  
the theme for the July 19th pic-  
nic. A group of entertainers and a  
square dance caller should liv-  
en up activities for Indian Lake  
Folks. There will be games and  
prizes for the kiddies, along  
with another opportunity to meet  
your neighbors. Don't forget to  
wear your Western attire.  
See you there!!!

Your neighbor, Pat Sanders

\*\*\*\*\*

Mr. Mrs. Leland Jones thanks  
everyone around the Lake for  
their expressions of sympathy at  
the recent bereavement of Mrs.  
Jones' mother.

\*\*\*\*\*

## BOARD OF DIRECTORS REPORT (cont)

Ten tons of gravel were put on  
the South road.

Some delinquent assessments  
from 1958, 60, 62, and '63 have  
been paid; and this, in itself  
makes the Board feel they are now  
on the right track. A lot of good  
people are supplying the push.

No bicycles are allowed at the  
Beach. Leave them at the top of  
the hill. (This is for new res-  
idents not familiar with the rule)

It would be grand if children  
would identify themselves to  
the adults at the Beach. They  
grow so fast, we old codgers  
can't place them from year to  
year.

Ray M. Heinzen

## GET WELL SOON!!

Mr. Henry Staib is recuperating  
at his home, since he has a leg  
injury. What a way to take a  
vacation, Tex.

Little Sammy Dayton has been a  
very sick little boy. Hope he'll  
be up real soon.

## COMINGS AND GOINGS

For those of you who would like  
to keep a current mailing list  
the following changes will need  
be made: Strike out Ralph Hockett,  
Indian Lake Dev. Co., A.E. Krick,

## NOTICE

Since the ILIA now supports the  
Smoke Signal, we have no need to  
charge for ads. We offer this  
column as an extra convenience for  
our readers. Call Barbara Bilby,  
Va3-4624, if you have any items  
or services to advertise.

SMOKE SIGNAL-Published monthly  
by members of ILIA and  
distributed free of charge to  
all Indian Lake Residents.

Well, here it is, that time again and I need a column for the Smoke Signal. Now, most people complain of no news, but I have the opposite problem. How to tell all or most of the local happenings without keeping you here for the next fortnight.

With the grand weather we have been having, our little beach is certainly the center of activity. Now if you can manage to ignore the work you should do at home, come on down to the beach; and we will be more than happy to spread the welcome mat for you.

Some of our neighbors have new boats and can be seen participating at every opportunity at the lake. The Frank Dickie's are speeding around in a new Aqua colored one, seems to be giving them a lot of pleasure. This family was one of the few who turned out for the Boat Regatta we tried to have. They spent many hours on the decorations to represent the tune, "Peg O' My Heart". They won the prize too.

The children especially thank Mr. Mrs. Norm Schucht who decorated their boat as "The Good Ship Lollipop". Norm and Millie played good fairy to the children by distributing their decorations to everyone on the beach. We hope these folks will accept our apology for the lack of interest shown. It seems we just picked the wrong week-end.

Another family with a new boat is the Hawley's. They were enjoying the skiing until a member of the family decided to try her hand driving the boat. Now, I'm not mentioning any names; but, according to her younger brother a certain young lady may be an excellent lab technician, however, she needs to learn a little more about boats. Now, now, Sharon, I didn't say that. See your dear brother.

Seems that people around here are always on the go. Wally Armstrong, Jr. took time out to participate in the Buick Open Golf

Tournament. Dorothy Matich tells me she competed in a golf score included two pars and one birdie. But the final Score?? Somehow she forgot to mention that. Had a delightful chat with Kathryn Malmstrom and heard about her trip to Alaska. I hope to hear a lot more and will share the details in in the not-to-distant future, so you may enjoy it, too.

Travellerall, the camping bug sure gets some of our friends and neighbors. The John Millers just returned from a vacation covering most of the state of Kentucky, including the Cumberland Falls, Mammoth Caves, and the Natural Bridge State Park.

The Bilby family is also active campers. Listening to Barbara tell about the pleasant weekends they have been having around the State of Indiana makes one want to get up and go too. The Bilby's have spent the last few week-ends at places with the charming names of Spring Mill and Clifty Falls.

The recent Tea for the ladies of the lake was held at the Klepfer residence. These evenings are one of the nicest customs that have started around here, and we surely hope they will become a permanent part of the social scene. When one is announced in the paper,

Please come. You will be delighted with the informality and the delicious refreshments. I've promised to ask Dottie Klepfer and her co-hostess, Jody Trittipio, for two very good, but simple, cookies that they served at the last tea and will publish them in the next issue.

Congratulations to Mrs. Ray Heinzen. She won \$210.00 from the Teletest Radio Show. Happy Vacationing, Sally, and we'll be seeing you, ACROSS THE FENCE...

Maureen

EDITORS NOTE..Maureen forgot to mention her own very important news. She has V.I.P. guests of her own. Her mother and father are visiting here from Ireland. We welcome you Mr. Mrs. Harris, and hope your stay in our country is a delightful and unforgettable experience.
