Monday, August 22nd; Deadline for Smoke Signal articles. Contact Claudia Hoone, Editor; 823-6365, with articles, advertisements, editorial comments, etc.

PRESIDENT'S MESSAGE

Dear Fellow Residents of Indian Lake,

The July meeting of the Indian Lake Board of Directors was well-attended. Progress on lake projects, and problems of our community were discussed.

TREASURER'S REPORT

Jack Sweeney's report included these budget details:

President's Message (continued)

Money Market Fund - Bank One - - - - - \$ 4,963.46
Checking Account Balance - - - - - 11,932.54

Jack reported that as of July 11, 1988, there were thirty-four annual assessments still outstanding. June 30th was the due date for payment of assessments.

NORTH BEACH

Joe Rohrman has applied a gallon of sealant to the picnic tables. He mentioned that three tables were in need of repair. Joe purchased and posted signs for the dam area, which read, "No Parking" and "No Trespassing." Dr. Bly has volunteered to construct a ladder on the North Beach floating dock, and to make repairs on the picnic tables. John Taylor and J.D. Bush have cleaned up bottles and glass around the North Beach area. Joe Rohrman's son, Clay, spent some time clearing away debris as well.

All residents who use lake property should be fair about cleaning up their own trash. We have no paid maintenance crew. Those who litter need to understand that it will be their neighbors who pick up after them.

REMINDERS

1. PLEASE! No glass is to be brought onto the beach areas.
2. Put the Indian Lake sticker on the back windows of your automobiles. Association properties are patrolled regularly, and trespassers are asked to leave.
3. If you invite guests to use the lake and beach areas, you must accompany them during the time they are here. Without your presence, they are regarded as trespassers.

President's Message (continued)

I'd like to extend a special thanks to J. D. Bush, who has helped with some difficult situations that have occurred in the beach areas.

SOUTH BEACH

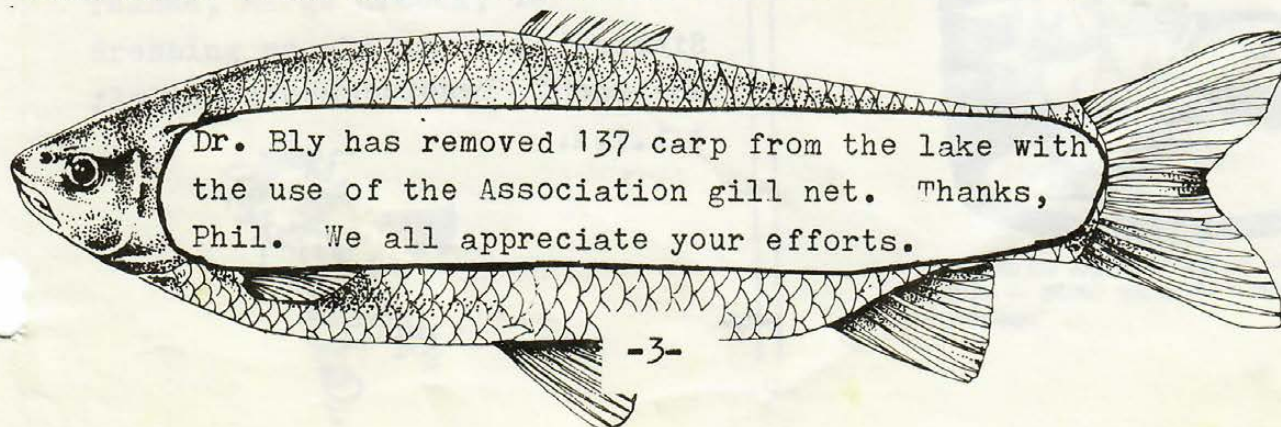

Rob Parker reported that Jeff VanTreese and his family cleaned up the South Beach after someone had a party there. Dr. Phil Bly volunteered to do maintenance and repair work on the South Beach dock.

LAKE CONSERVATION

The Board would like to suggest that lake residents pitch in to remove limbs and other obstructions in the lake that have now become visible since the water level has dropped.

Mike Carter has obtained bids for the repair and replacement of the East End gate and posts. Our attorney will contact Mr. Dennis Franklin, the owner of the vehicle which destroyed the East End gate, and instruct him to remit to the Board the amount needed to cover damages. Mr. Franklin has agreed to pay those charges. It should be mentioned that Mr. Franklin was not the driver of the vehicle. One of our Indian Lake residents witnessed this vandalism and wrote down the license plate number, thus enabling the Board to pursue restitution.

The East End gate lock has been changed. The Board has given keys only to John Miller, Mike Carter, and me. If anyone needs to have the gate opened, call one of us. The Board has instructed that in no event may we relinquish control of those keys.

President's Message (continued)

Rob Parker made the suggestion that we sell or give away the silt that was deposited in the dredging project containment area. The Board approved the pursuit of this task.

DAM

Fred Lee has obtained an estimate for the placement of a fence along the dam, and will seek more bids for the Board's consideration.

PROPERTY MAINTENANCE

Red Harris reported that the chains for the swings at the playground should be replaced, and that cracks on the tennis court needed to be repaired.

OTHER BUSINESS

I recently received a letter from the Marion County Health Dept. informing us that the Indian Lake Community must pay a fee and obtain a license for the beach areas, something we have never had to do. The Board's legal council responded by saying that, because our beaches are not for public use, this licensing request is not valid. We wait for a response.

As you can see, Board members are volunteering many hours to maintain this unique community. The Board looks forward to hearing your concerns at our next meeting, to be held at the home of Mrs. Mildred French, 10002 Indian Lake Blvd., N. Dr., on Aug. 9th at 7:30 P.M.

Enjoy these late summer days on our beautiful lake.

Sincerely,
Joe Hoone, President
I.L.I.A.

INDIAN LAKE WOMEN'S COMMITTEE REPORT

by Suzy McDaniel

GREETINGS FROM THE INDIAN LAKE WOMEN'S COMMITTEE!

It's been a busy, hot summer! We've enjoyed it, and hope you have too.

We owe our thanks to Flo Peck, Vivian Mathews, Cindy Colter, and Linda Parker for the flowers we have seen near our community signs. Vandalism and the heat have taken a toll, but we are still enjoying some beautiful plantings.

Those who participated in our 2nd Annual Garage Sale seemed pleased with the opportunity to socialize, not to mention the profits they made. A beautiful day, and no one even missed the locusts!

Our June meeting was held at the home of Tammy Birch. Thank you, Tammy. Everything was wonderful. Plans were discussed for the Annual Picnic, and Marge Crouch gave an update on the new directory. The directory should be ready soon. Everything needed for the Ice Cream Social was also finalized.

Speaking of the Ice Cream Social, Helen did it again! She gave me a list with 63 names that were recorded. I wonder if more forgot to sign? Looks like we might need to order more ice cream next year.

THANK YOU, HELEN!

Mildred French was our gracious hostess again this year for the Annual Picnic on July 17th. I wonder how many years Mildred has so willingly shared her gorgeous home with us?

The picnic was attended by approximately 130 members. A good time was had by all. The food was exceptional this year, catered by Ala Arlette, and Kentucky Fried Chicken. The chicken arrived on time, thanks to Ruth Peele, the manager of the Post Road store.

Indian Lake Women's Committee Report (continued)

Ruth drove out the day before to make sure directions were understood. The new potatoe salad, Ala Arlette, was delicious. Arlette surprised us with 2 trays of Brie cheese that was incredible!

We were pleased to have Gordon Crow back at the piano. Gordon serenaded us for hours. Many sang along, and I'm sure they had a good time. The selections were old favorites. Thanks, Gordon.

MUSIC MUSIC MUSIC!

The First Annual Water Balloon Toss was held this year. Congratulations to our winners: Elizabeth Parker, Aaron Callaway, and Ryan Nolting.

The five door prizes were won by Tony Gremos, Freda Helfer, Loretta Miller, Gloria Padro, and Jean Knox.

A wine and cheese basket was available again this year for raffle. It was won by Jean Bly. Added to this raffle was a basket of sparkling flavored mineral water, which was won by Mary Boese. Both baskets contained cheese, summer sausage, crackers and nuts. Congratulations winners! We hope you enjoy them.

All in all the picnic was a success, thanks to Mildred and Ray!!! The two of them went all out to make sure it was fun for all.

The next meeting of the Women's Committee is scheduled for August 15th, at the home of Marge Crouch. If you have wanted to attend a meeting and just haven't made it yet, remember, The Doors Are Always Open! Wishing enough rain and sunshine to thoroughly enjoy the rest of the summer.

Sincerely,

Suzy McDaniel, President, I.L.W.C.

"ACROSS THE FENCE"

Maureen Wagner

According to Russ Koehring, the annual recharging of the batteries well and truly accomplished on the third Sunday of July. Russ was referring to a group of people who never miss the Annual Picnic, and who can always be found around the piano. Under the spellbinding playing of Gordon Crow, a master par-excellence on the keyboard, memories are renewed and enjoyed for another year. Frank Knox's chorus is comprised of his wife Jean, Jane Quirk, her daughter Sara Rohrman, Kathryne Zainey, Flo Peck, and Yours truly, Maureen. Russ Koehring and John Miller contributed a marvelous bass section. Noticed that the Sterns jumped in and sang for a short time. Gloria Padro added the Latin flavor, and Tony Gremos contributed Zorba the Greek.

The Pat McFarland family attended their first picnic. We will introduce our new neighbors to you in a later Smoke Signal. I'll give them a few weeks to settle in to their new home.

Our very special thanks to Mildred French for once again sharing her lovely home with us.

So often adults talk of young people in a critical manner. Here is a compliment. Bob and I had a very special visit and a great conversation (at the North Beach) with Ben Upton. It's great to know that there are still well-mannered young people who talk to older folks.

Claudia and Joe Hoone, along with Joe's mother, Dorothy, just spent a heavenly vacation in Hawaii, cruising around the islands. Left Marcus and Susanna at home with Grandmother.

Master Chris Adolay is having his first big catch mounted as a trophy. Chris is five and a half, and he caught a 2½ lb. fish.

Loretta Miller is not joining the ranks of the idle by retiring from the Finance Center after 30 years. The Millers have a full

Across The Fence (continued)

schedule planned for the coming year. Whatever you do, Loretta, Enjoy! Enjoy! You've earned it.

There are two gentlemen on this lake who enjoy a practical joke, and so do I . . . except when I'm swimming. What would you do if you heard a loud voice coming out of the bushes, saying, "This is the F.B.I., and if you know what is good for you, you will remove yourself from the lake. Pronto!" I hope they were speaking to people on a pontoon. Some spectators thought they saw people diving from that pontoon on this command. Could the bullhorn used in the prank be the property of one Bill McDaniel, who, I believe, was aided and abetted by one Joe Rohrman? Just watch out, the pair of you! Someone will get you one of these days!

Thank you, Lord, for blessings great and small,
For good friends and neighbors,
And the freedom to enjoy them.

Till next month - Maureen

Olympic Challenge

One of Lawrence's own is bringing international attention to our community. Cheryl Kalanoc, of Lawrence, is one of eight women on the American tae kwan do team scheduled to compete in the Seoul Olympics this fall. Because the U. S. Olympic Committee does not cover all expenses for the athletes, many people in the Lawrence area have decided to give Cheryl their financial support. Donations may be mailed to her at the U. S. Olympic Center, 1750 E. Boulder, Suite 404, Colorado Springs, Colo. 80909

WEDDINGS

The Zainey family recently celebrated the marriage of their son, Matthew, and his new bride, Dayna Mayfield. Their marriage took place on June 11th, just prior to the Annual Picnic. Kathryne, Matt's mom, reminds us that he attended the picnic for the first time just twenty years ago.

Did you hear wedding bells at Ed Hamilton's house, also on June 11th? Ed is thrilled to announce his marriage to Irene Waldon. Irene and Ed were high school sweethearts 64 years ago! Fate brought them together, and they are as happy as two peas in a pod.

Congratulations to Tony Gremos, who has been introducing all of us to his new bride, the former Linda Alsip. Tony and Linda exchanged vows on June 24th. They are planning an August escape to Greece, Tony's homeland. Bon Voyage, young lovers.

We wish all these glowing couples the greatest of happiness.

Didn't the whole Indian Lake Community look just Yankee Doodle Dandy on the Fourth of July?!

Thanks, Marge Crouch, for dressing us all up in flying colors!

"I grew the vegetables and my wife canned them — 25,000 quarts. All it cost was my marriage."

BEREAVEMENTS

Our deepest sympathy to Elzie Hutcherson on the loss of her husband, Tom. The neighbors will miss his smile and friendly greeting. We are here if you need us, Elzie.

We extend our sincere support to Harold Grimme on the loss of his dear wife, Pearl. We want the Grimme family to know . . . our hearts and thoughts are with them.

Carl Creed lost his dad after a lingering illness. Whether we are prepared or whether the loss is sudden, we still find it painful to part with loved ones.

Carol Hoke also lost her father, a remarkable man who leaves beautiful memories.

THANK YOU

Mrs T. Hutcherson, south side, wishes to express her heartfelt thanks to neighbor Ardis Stern, to Linda Parker, and especially to Flo Peck, for co-ordinating the dinner after the funeral. She also offers a very sincere thanks to the Women's Committee for their kindness, and to each of the ladies who made the great variety of food.
