SMOKE SIGNAL

November, 1987

Indian Lake Improvement Association

Indpls., IN

PRESIDENT'S MESSAGE

Dear Fellow Residents,

The Board of Directors met on Nov. 10th, in the home of Mildred French. The Board wants to thank Mrs. French for being a gracious hostess of the majority of our monthly meetings, and also to Ray Heinzen for setting up the meeting room each month.

Committee Reports:

North Beach: Joe Rohrman explained that trash pickup has been halted for the winter, and the Port-O-Let has been removed until spring. The buoys outlining the swimming area will be pulled out shortly, and stored for the winter.

Property Maintenance: Red Harris reported that the association property is in good condition.

East End, Lake Conservation, Fish

and Lake Use: John Miller explained that he has been working on the trash pump so that it may be used to drain the sediment pond which was created as a result of the dredging project.

Community Appearance: Fred Lee mentioned that the individual who purchased the lots next to Tony Gremos has cleared trees and brush, and left them along the street, thereby creating a hazard. It was suggested that the authorities be contacted and requested to tell that individual to remove the debris.

(continued, page 2)

CHRISTMAS LIGHT NIGHT

December 19th

Mark your calendars for Dec. 19th, and make plans to light candles along your drive or property line. The women's committee will provide each family with four candles. Feel free to light more if you choose. The committee suggests that residents use gallon plastic milk jugs. Cut off the top of each jug, and put sand or kitty-litter in the bottom. Place a candle on the sand. This creates a simple, beautiful luminaria. We hope everyone will participate to make Dec. 19th a memorable part of the holidays.

President's Message ... continued

Old Business: The board still needs to obtain an estimate on the cost of having an appraisal made of association property which the Creeds and the Rausches expressed an interest in purchasing.

New Business: John Miller reported that the traffic situation at the intersection of Indian Lake Rd. and 79th is becoming very hazardous. I will contact the City of Lawrence to have them study the situation.

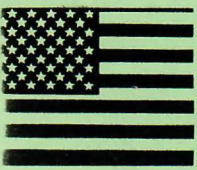

There was further discussion on updating the Indian Lake Directory. The Women's Committee publishes a new directory every two years, with the new directory scheduled to come out in '88. In the meantime, I'll publish a list of the new residents in the December issue of the Smoke Signal.

The Board has received complaints about empty trash cans being left along streets long after the Wed. pick-up has occurred. Please be considerate of community appearances, and bring your trash cans in promptly.

The Dec. Board meeting will be held Dec. 8th, at 7:30 p.m., at the home of Mrs. French. Plan to attend.

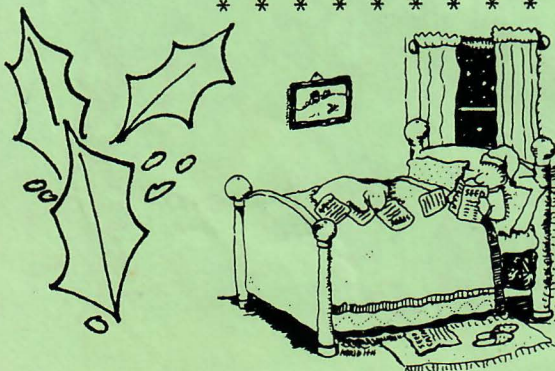

Sincerely,
Joe Hoone

Congratulations to Bob and Maureen Wagner, who were featured on Channel 8's Veteran's Day segment of the News, November 11th. Their thought-provoking comments helped Indianapolis residents focus on the meaning behind that significant holiday.

MONTE CARLO NIGHT

Dining delights, games of chance, and a fast-paced auction are all in the plans for Monte Carlo Night. Tentative arrangements are to hold the Monte Carlo on Saturday evening, February 20th, at the Indian Lake Country Club. Dinner will be prepared by the Country Club chefs. Gamblers will use play money, which can be exchanged for prizes.

An auction will be held with the help of volunteer auctioneer Joe Zainey. The women's committee is seeking donations from commercial businesses, and white elephants from community members, to be used as auctioned items. Please call Becky Carter - 823-4396, to donate good white elephants, or to let her know what businesses you might be able to solicit for the cause. Any business which donates goods or services to be auctioned will receive one free ticket to Monte Carlo Night.

More details about the Monte Carlo will be provided at the annual meeting in January.

INDIAN LAKE WOMEN'S COMMITTEE

The newly elected officers of the Women's Committee for 1988 are:

President: Susan McDaniels
Vice President: Jane Ann Kopitzke
Secretary/Treasurer: Linda Parker

The Women's Committee needs your help. Please contact one of the officers if you are considering joining IL Women's Committee.
