MASTER INDEX TO INDIAN LAKE GOVERNING DOCUMENTS

It was suggested that I provide an index to all the Indian Lake governing documents to help members more easily find the rules and regulations they're looking for. Now's an especially good time to do this as our covenants and bylaws are recently updated.

All the indexed documents are available on the Documents and Forms page at IndianLakeHOA.com. Use the key to refer to the appropriate document.

C = Covenants
B = Bylaws
S = Lake, Beach and Water Safety Regulations
W = Watercraft Storage on Association Property
R = Indian Lake Beach and Park Reservation Request Form

Easter Egg Hunt

We were blessed with a beautiful day for the Easter Egg Hunt on April 16th. It was well attended by lake residents and their families. Many of our children were happy to greet the Easter Bunny. We are always so lucky to have him join in our festivities.

We are very thankful to the Civic Committee for hosting this event. Our thanks also to those who made us treats to sweeten the day. This is an event that we look forward to every year and this year was especially enjoyable.

Blast from the Past

The 1950 census records were released

by the U.S. National Archives on April 1, 2022. This is exciting news for genealogists and historians. The census records for our neighborhood are in Marion County enumeration district 49-36, sheets 6, 7, 8, 71, and 72.

The 1950 census is more than just a list of names, it shows family relationships, ages, birthplaces, and occupations.

Unfortunately, house numbers weren't in use in our neighborhood at the time, and the dwelling serial numbers shown on the census aren't always in a logical order, so it's not easy to figure out who lived where. The image for sheet 7 includes the following known Indian Lake members:

Known Indian Lake members on other sheets include John Brill (lot 88), Eddie Fisher (lot 95), Donald Brodie (lots 27-28), Edwin French (multiple lots), William Binder (lots 1/2 55-57), and James Carr (lot 18).

Full access to the 1950 census images is available at <https://1950census.archives.gov/>

name	dwelling serial number	ILIA lot	comment
Ambrose Tellstrom	65	1/2 14-15	board member
Keith Evans	66	unknown	board member
William Rodkey	67	16	in 1957 ilia directory
Fred Keesling	68	19-20	in 1957 ilia directory
Robert Hoskins	69	20-25	board member
Thomas Reeves	77	63-65	board member
Merle Alte	78	66	famous boxer
Forest Monical	80	69-76	in 1957 ilia directory

Protect your Valuable Trees

This large cottonwood tree at South Beach suffered extensive beaver damage and is unlikely to survive.

Protect your valuable shoreline trees by wrapping them with cylindrical cages made of sturdy galvanized welded wire fencing with two-inch to four-inch mesh openings. Fencing should be at least three feet high. Encircle the trunk, leaving at least six inches between the tree and cage on all sides so the tree has room to grow and so that beavers cannot lean against or gnaw through the fencing. Large exposed roots that extend outside the cage may need to be protected too.

Further from shore, buck rubs are the main concern. All bucks will rub small trees of 1-3 inches in diameter. Four-inch or thicker trees are rubbed mostly by three-year or older bucks. Bucks especially like coniferous trees. Use wire mesh cylinders at antler height to protect your trees.

Radio Personalities of Indian Lake

At one time or another, our community has had close ties to a number of radio and TV personalities, including Bob and Tom, Dave "Gunner" Gunn, and Scott Hoke.

Syndicated radio hosts Bob Kevoian and Tom Griswold of the Bob & Tom Show have each lived at Indian Lake, but at different times. The Bob & Tom Show was established at radio station WFBQ in 1983, and syndicated nationally since 1995. In 2015, Bob and Tom were selected as inductees to the National Radio Hall of Fame. Bob retired in December 2015, but the show continues on.

Dave "Gunner" Gunn from WFBQ Q95 and iHeartMedia is one of the most well-known voices on the radio in Indiana. Gunner has occasionally joined the cast of the Bob & Tom Show and is also known for Stuck and Gunner in the Morning on WRZX X103. Although Dave has never lived at Indian Lake, he has close family ties here.

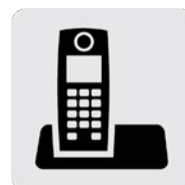

Scott Hoke grew up at Indian Lake and has had a long career in both radio and television. He's hosted the Indianapolis Symphony Orchestra's outdoor summer concert series, "Symphony on the Prairie" and is a 30-year voiceover veteran. Scott has also banked plenty of time in front of the camera. This year marks his 15th as host of the popular Mecum Collector Car Auctions on NBCSN and he's now on MotorTrend TV. Prior to that, he was on the Indiana Pacers broadcast team, and did nine years in the sports department at WRTV-6.

New Beach Chairs

The Civic Committee has graciously provided 16 new beach chairs. The new chairs are in two styles, both are blue.

When You Need To Call

Across the Fence

Congratulations to all Indian Lake 2022 graduates and their families! **Addie Korzekwa**, daughter of Joe and Jenny Korzekwa, graduated from the class of 2022 from Lawrence North High School. She'll be attending IUPUI in the fall. **Cole Alexander**, son of Shawn & Alyssa Alexander, graduated from Lawrence North HS and will be attending Purdue University in the Fall. Cole plans to pursue a dual major in Natural Resources & Environmental Science as well as Sustainable Food & Farming Systems. He is currently interning with Grow Places Indy, whose mission is to empower people to cultivate individual, family, and community wellness through urban agriculture, access to fresh local food, and mind-body education. **Gavin Gillum**, son of Ron and Ann Gillum, graduated from Lawrence North HS. He'll attend Vincennes University and study to become a Master Mechanic. After that, he'll acquire his small plane pilot's license.

Best wishes to **Marlow Rumreich** who was married in Seattle on July 3 to Angel Coronado. Their wedding and reception had the Cascade Mountains as a backdrop. Indian Lake beach sand was used for a "blending of the sands" ceremony. Based on that sample, TSA testing determined that Indian Lake beach sand is free of both explosives and drugs.

Congratulations to **Grace Morgan** who received the 2022 Superintendent Academic Award from Lawrence North. Grace is also a member of the color guard for the Lawrence Township LN & LC Band.

Welcome back to **Eddie and Maggie Mathews and family**. They were temporarily living in Playa del Carmen and working as missionaries to teach English and build a church and soccer field.

Thanks to volunteers **Phil Rogers, Phil Marble, Andy Van Treese, and Tom Oliger** who cleared invasive species on the peninsula on May 15. They removed and burned Autumn Olive, bush honeysuckle, multiflora rose, and some privet. All of these invasive plants have the potential to completely take over wherever they become established. The Autumn Olive was becoming very well established. We will need to monitor and treat this area annually in the future to make it more manageable.

We're sorry to report the passing of long-time Indian Lake resident **Tom Beecher** on June 5th. Tom was passionate about the outdoors and served on the Indian Lake board from 2000 to 2002. Our condolences to the Beecher family.
